ACU-RITE®

Limited Time Offer. Act Soon!

MILLPWR® comes packaged with ACU-RITE® ENC 150 precision glass scales. The ENC 150 scales feature **Position-Trac™**, a unique feature that enables you to easily, quickly and accurately reestablish workpiece zero after power loss.

In addition, the precision and accuracy of ACU-RITE® glass scale feedback compensates for the possible transfer error accumulated through the wear of the ballscrew, ballnut, and table.

ACU-RITE IS AN
